TERBIODEGRADASI

NON-TOXIC
TIDAK TOKSIK

SAFE FOR FOOD & BEVERAGE PROCESSING

TRUSTED BY INDUSTRY

Certified With:

FLEX-G

Ensuring Food Safety, Through Sustainable Lubrication

Benefit:

- Safe with incidental food contact
- Environmental friendly
- Suitable for high temperature application
- Biodegradable & Non-Toxic

Application:

- Multi-purpose use in food processing machinery

Temperature Range:

- 200°C to 250°C

Performance Standard:

- NLGI: 2
- FDA 21 CFR 178.3570
